You Make the Difference

For almost 15 years, RevelationGolf has been blessed by you, our supporters in making a difference in the lives of those we serve. Sometimes, you may never know the impact you have made on another human being, but the staff at RevelationGolf are so fortunate to see the power of your giving each and every day.

Take Luke for example, a young boy with cerebral palsy who made a five foot putt for the first time, to the cheers of those around him, who also were able to watch his victory dance. You made it possible for RevelationGolf to offer specialized clinics for children with physical disabilities. The joy on Luke's face was a thank you, to you.

Your giving made it possible for Matthew, a veteran dealing with PTSD, who shared in our program survey that, "Golf helped me more than any pill ever prescribed. It's peaceful and therapeutic." Your support also gave the game of golf to Eric, who simply said, "Thank you for taking time and effort to support us veterans."

Because of you, RevelationGolf has seen the human spirit come alive and hearts mended. Because of you, RevelationGolf has seen hope, a new chapter filled with promise in the life of a veteran. Because of you, we have seen confidence restored and courage developed. You make the difference by your giving and without you, RevelationGolf is nothing but good intentions, but with you, we can move the mountains.

Because of these and so many other moments you have made possible, we are asking you to make a donation to RevelationGolf and continue to help us move mountains. You can complete the donation card provided, you can also make a donation on-line at our website, www.revelationgolf.org and hit the donate button on the left. Thank you so very much for helping us heal the human spirit.

UL and RevelationGolf

RevelationGolf is grateful for the recent donation made by UL to our At-Risk Youth Program that will assist us in providing more programs next year. To celebrate this gift, RevelationGolf had an after school clinic for the ICompete program from the Palatine Park District at Makray Memorial GC in Barrington, followed by dinner at Portillo's in Arlington Hts. Thank you UL for your wonderful support!

A Word From Our Participants

This summer RevelationGolf was able to provide more clinics than ever, despite the rain. With our new Veterans Transitional Residence Program in full-swing and all our regularly scheduled programs, RevelationGolf brought the game of golf to hundreds of veterans and children. Once again we want to share with you the difference you made in the lives of those we serve with a summer picture review. Thank you for supporting so many wonderful clinics and special veteran events!

Coach's Corner

This is the a golf story from World War II, a time when many golf courses in the UK were turned into vegetable fields to produce food during this very difficult time. However, nothing, not even war could stop the British from playing golf on the few courses that were still open. The German aircraft would fly in missions and would often clear their guns by firing a few rounds at the golf courses. Golfers, who were playing, were urged to take cover which in turn created the need for some strange local rules to go into effect. 1. Players were asked to collect bomb fragments and shrapnel to protect the mowers from damage, 2. In competitions, players were allowed to take cover without incurring a penalty for slow play, 3. Players were allowed to move shrapnel from their line of play and from the bunkers without a penalty, 4. A ball moved or destroyed by enemy action could be replaced without a penalty, 5. A player whose stroke was affected by the sound of a bomb exploding was able to play another ball from the same place, but...they incurred a one stroke penalty. So, if you thought you had some trouble with your round of golf, you have nothing on those who played the game during war time.

As we come together to celebrate and give thanks, RevelationGolf wants to begin by thanking you, our supporters for your generous giving which makes our programs possible. We also want to thank our teachers, volunteers and facility hosts, for working side by side with us in conducting our events. We look forward to continuing to work with you and have you share in our wonderful mission of using the game of golf as a therapeutic tool to bring healing and renewal to the human spirit. Have a wonderful Thanksgiving.

In September, RevelationGolf lost a dear friend, supporter and volunteer. Ruthann Normann was a burst of joy and light at our Annual Fundraiser and always ready to lend a hand to help our organization with behind the scenes work. It was her wish that memorial donations be made to RevelationGolf as her final act of love and support. Ruthie will be missed dearly and live in our hearts forever.
