## PGA HOPE Training

On Wednesday March 6, 2024, RevelationGolf conducted its PGA Education and Training workshop and had 15 members of the Illinois PGA Section, at Cantigny Golf in Wheaton. This four-hour workshop includes two hours of education dealing with working with Veterans and those with physical disabilities and two hours of practical experience with simulations and hands-on teaching. This education is required before a PGA professional can participate in a PGA HOPE program and RevelationGolf is the Education/Training provider in Illinois. This was another wonderful group of professionals to be trained and we want to thank the Illinois Section for coordinating the registration. We also want to special Thank you to Cantigny Golf for hosting our education room and the hands-on training for us.

## A Word From Our Participants

This winter RevelationGolf is staying active with programs for our veterans at The Buffalo Grove Sports Dome and at Links and Tees. It is exciting to see the comradery that is created through this game we all love. Yet, there is always that sense of competition and the joy of winning, which can cause some to fall to their knees and celebrate! Always, it's about helping our veterans heal and get back into life using golf as the therapeutic tool that pulls it all together. We are so thankful for the support given to our organization which makes providing these clinics such a blessing to all.

## Coach's Corner

### RevelationGolf Veteran Social League

RevelationGolf is always looking for way to help our veterans come together and play golf. So, this year we are starting a new program called our Veterans Social League. This program will allow veterans to sign-up to a different course each month for \$25-\$30 for nine-holes and meet other veterans that can go play golf with on their own. We are so very grateful to the PGA - Illinois Section Foundation for supporting this program and help RevelationGolf make this just the beginning of a wonderful program. In April we will have a site sign-up on our website for veterans to see the courses, dates and tee times of when the program will take place. We are also thrilled to have Mike Jaborek, an Iraq Army veteran, serve as a host along with RevelationGolf for each league play date. Mike is the Illinois PGA HOPE Ambassador and an all-round wonderful man, who is working to unite veterans to help them heal and find peace in life through the game of golf. It is again, all about Healing and Hope. We seek to help our veterans find a new way of life through golf.

#### 1<sup>st</sup> Responders and Veterans Program

RevelationGolf will again this year host a six-week program for the 1<sup>st</sup> Responders and Veterans of Elk Grove Village at Fox Run Golf Links starting in April. This wonderful program is sponsored by the Village of Elk Grove and we are so honored to be able to give back to those on our front lines at home.
