PGA HOPE Training

On Thursday March 2, 2023, RevelationGolf conducted its PGA Education and Training workshop and had 22 members of the Illinois Section of the PGA, at Cog Hill in Lemont. This four hour workshop include two hours of education dealing with working with Veterans and those with physical disabilities and two hours of practical experience with simulations and hands-on teaching. This education is required before a PGA professional can participate in a PGA HOPE program and RevelationGolf is the Education/Training provider in Illinois. This was our largest group of professionals to be trained at one time and we want to thank the Illinois Section for coordinating the registration and a special Thank you to Cog Hill for hosting our education room and the hands-on training for us. We are also grateful for the six students who came out and assumed a variety of disabilities for the professionals to learn from them.

A Word From Our Participants

This winter RevelationGolf is staying active with programs for our veterans at The Buffalo Grove Sports Dome and at Links and Tees. We also participated in the 2023 Chicago Golf Show in partnership with the Chicago District Golf Association, which sponsored a long putt competition. Two of our program Veterans, Lt. Commander, Tracey Ladner and Sgt. 1st Class Eddie Lakes, each took a chance at making the 80 foot putt. While they didn't put the ball in the hole, both were within a few feet of the cup which was wonderful.

PGA HOPE

RevelationGolf has been working with the Illinois PGA to provide PGA HOPE programs for the past three years. This year being our fourth season, RevelationGolf will provide six sessions at four different locations. They include; The Preserves ay Oak Meadow, Cantigny, Veterans Memorial and Deerpath. Each HOPE session is six weeks long and helps veterans and active duty service members, learn and advance their golf skills in a positive and encouraging setting. Taught by LPGA and PGA professionals, participants are given the respect and thanks they deserve, while sharing in comradery with others veterans. RevelationGolf is thrilled that one of our program veterans, Mike Jaborek, is now serving the PGA HOPE ambassador for Illinois. Mike has participated with RevelationGolf for 4 years and has shared his incredible story with us and it now sharing his story of healing and hope with hundreds of veterans through golf. Mike was recently featured in a wonderful article for the PGA, where he shared his personal story and how the game of golf impacted his life. The link for this story is included below and we encourage you all to read it and feel for yourself the power of golf for our veterans. RevelationGolf Congratulates Mike and looks forward to continue to work with him as he serves others in PGA HOPE and in RevelationGolf.
