## 17th Annual Fundraiser

RevelationGolf’s 17<sup>th</sup> Annual Fundraiser was a glorious day! The serve storms of the day, never came to the golf course. While it was indeed a hot day, it was also a wonderful success. RevelationGolf raised the very needed funds to continue our Military/Veterans and Children’s Golf Programs. It is always a tender moment when the Marines from Marine Control Group 48, Naval Station Great Lakes, Presentation of the Colors and we sing our National Anthem. We were also grateful for our new bagpiper, Colleen Monaghan who escorted the flag. We want to express our gratitude to Larry Healy, who served as our bagpiper for so many years and has now retired.

We want to express our deepest gratitude to all our sponsors, participants, donors, volunteers and our incredible host, Cantigny Golf for making this fundraiser our very best. Thank you so much for your support and positive energy in sharing this day with us. We also want to recognize our emcee, Steve Kashul, for his flexibility, time and continued commitment to RevelationGolf. Our After Party was held indoors this year due to the threat of storms, in the Red Oak Room at Cantigny, where we held our Live and Silent Auction as well.

It is our sincere hope you will all make plans to attend our 18th Annual Fundraiser next year on June 12, 2023 at Cantigny Golf in Wheaton. Because of your generosity, RevelationGolf will continue to promote healing and recovery, while building confidence and self-esteem using the game of golf. Once again, YOU, have made all this possible and we thank you all, with all our heart.

## Humanitarian Award

RevelationGolf is honored to present the 2022 Humanitarian Award to Steve Kashul, for his long-standing support of RevelationGolf and all our Military/Veterans program. Steve has not only served as our emcee for a decade, he has also found a way to incorporate RevelationGolf into his TV series, **The Golf Scene**, while sharing our mission and programs with his vast network. Steve has a heart for our veterans and it quick to show his commitment by supporting RevelationGolf whenever possible. RevelationGolf is truly grateful for Steve's dedication to our organization and looks forward to working with him for years to come.

## A Word From Our Participants

- This summer will be one for the record books for RevelationGolf, as we conduct more programs than in another year. The best part of all these programs is that we are able to bring the game of golf to so many people, who have seen their lives changed for the better because of the sport. Our Military Kids camp saw 19 youngsters playing golf on Wednesdays, many for the first time. Our monthly programs for Shriners Hospital Chicago, with the support of the Chicago District Golf Foundation, are giving children with various physical limitations a change to make new friends on the course. RevelationGolf has expanded our PGA HOPE program to include a follow-up program we are calling HOPE 2.0, that had 15 veterans growing their golf skills and deepening their relationship with other Veterans. And finally, we are thrilled to introduce the finest new Female Golfers, our Female Veterans who participated in the First Illinois PGA HOPE program for Women. One reminder, if you have a set of gently used golf clubs you would like to donate, please call our office and we will give them to a veteran. Thank you all for making these wonderful programs possible.
