## 18th Annual Fundraiser

What an amazing day! RevelationGolf’s 18<sup>th</sup> Annual Fundraiser has proven to be our best event ever and we are so incredibly grateful to everyone who made it happen. This year we began by thanking all those who have served our great nation before teeing off. There was an issue with our Color Guard attending in the morning, yet seeing so many veterans in attendance was wonderful. We had our talented bagpiper Colleen present and sang the National Anthem to kick off play.

We want to express our deepest gratitude to all our sponsors, participants, donors, volunteers and our incredible host, Cantigny Golf for making this fundraiser so fantastic. Special thanks to Mike Jaborek for sharing his story during our After Party and our emcee, Steve Kashul, for hosting the After Party and serving to help RevelationGolf raise funds during our Live Auction. Our Humanitarian Award to Dan and Linda Falotico for their years of dedication to RevelationGolf and those we serve.

It is our sincere hope you will all make plans to attend our 19<sup>th</sup> Annual Fundraiser next year on June 10, 2023 at Cantigny Golf in Wheaton. Because of your generosity, RevelationGolf will continue to promote healing and recovery, while building confidence and self-esteem using the game of golf. We are blessed to provide so many wonderful programs because of your support. Once again, YOU, have made all this possible and we thank you all, with all our heart.

RevelationGolf is incredibly grateful to all our wonderful sponsors who made our Fundraiser a great success. Special thanks to Wadsworth Golf Charities, our Title Sponsor.

## Humanitarian Award

RevelationGolf is honored to present the 2023 Humanitarian Award to Dan and Linda Falotico, for their dedication and commitment to RevelationGolf for the past 14 years. Their support of RevelationGolf's mission, with their time, treasures and expertise has helped our organization grow into what it is today. IT has also been a family affair, as they have brought their family to our events and they too volunteer and support our mission. Linda served as Board Chair for RevelationGolf for 10 years to help RevelationGolf through some growing pains and establish a stronger network to carry our organization into the future. Thank you, Dan and Linda, for making such a profound impact on our organization and touching our lives and hearts, personally.

## Thank you to our Fundraiser Speaker

RevelationGolf was honored to have U.S. Army Sergeant Mike Jaborek speak during our After Party at our 18<sup>th</sup> Annual Fundraiser. Mike was serving in Iraq in 2005 when his tanker was hit by an IED and setting him on fire. After returning to the states and healing, Mike has used golf as a way to connect to other veterans and help with PTSD. He began golfing with RevelationGolf in 2018 and currently serves as the PGA HOPE Ambassador for Illinois.

# A Word From Our Participants

- This year RevelationGolf is on track to provide over 200 programs. More than ever before and we are working hard this summer to get so many of our specialty clinics in while the sun is shining. Our new First Responder clinics for the Chicago Police Department are currently taking place and we recently completed the First Responder program for Elk Grove Village Police and Fire. We have had all our regular programs for our veterans and are providing 7 clinics for Shriners Hospital Chicago with the support of the Chicago District Golf Association Foundation. We are also working to provide 6 PGA HOPE programs across the Chicagoland area this year and have one completed with two currently in session. Also in session, this summer is our Military Kids program at Veterans Memorial Golf Course for the children of our Active-Duty service members at Naval Station Great Lakes. All these programs are made by possible through our grants, corporate giving and the kindness of each of you. THANK YOU!
